

# Posted how-to for OpenSBC on Vyatta ...

---

[mpicher](#) 40 posts since

Dec 28, 2008 Check it out in the docs section!

<http://www.opensourcesip.org:8080/clearspace/docs/DOC-1070>

Hopefully it will save others a fair amount of work. If something isn't clear or blatantly wrong please let me know.

Much thanks to Joegen, Eric & Raymond for their help and prior work on this stuff. Tags: opensbc, nat, firewall, traversal, sip, vyatta, sipx, sipxecs
